Dear Oregon EPHT Supporter,

We would like to share the latest edition of Oregon's Environmental Public Health Tracking Program (EPHT) newsletter (attached). Oregon EPHT is moving ahead rapidly toward implementation of a state tracking network. Please review the newsletter and visit us on the web (www.oregon.gov/dhs/ph/epht) to learn more.

In the future, Oregon EPHT will share announcements and quarterly newsletters with you through our listserv. Please visit http://listsmart.osl.state.or.us/mailman/listinfo/oregon_epht_news to sign up. This will be a moderated list, so messages will be from Oregon EPHT staff only.

Thanks for your interest in Oregon EPHT!
